

LANDUSKY WIND ENERGY PROJECT

SECTION 1

1.1 INVITATION FOR BID PRE-BID CONFERENCE

The location and time of the optional pre-bid conference has changed as follows:

IN BIDDING DOCUMENTS (FORMER TIME AND PLACE)

September 1 at the mine site at 1 pm.

PRE-BID CONFERENCE CHANGED TO

September 1 at 9 am in the conference room of the offices of Electrical Consultants, Inc. (ECI), 3521 Gabel Road, Billings, Montana. Ask at the front desk for either Brett Johnson or Dave Maehl. A brief power point presentation shall be given showing the site, the potential tower location, and the digging/material conditions. Questions will then be answered.

Should the Bidder wish to see the site on their own, they may contact Mike Flatt, Mine Site Manager, at 406-673-3252. A tour can be arranged Monday through Thursday during the hours of 6:30 am to 5 pm MST.

SECTION II

2.1 BID FORM

COST BREAKDOWN ITEM 11 CLARIFICATION

The mine site has a Cat 16G motor grader and a Cat D9 bulldozer. Successful Bidder can meet with Spectrum Engineering and lay out their requested road access into the selected tower location. Spectrum Engineering shall construct the road into the tower location using on-site equipment at no cost to the Bidder.
